Arizona State Flag

The 13 rays of red and gold on the top half of the flag represent both the 13 original colonies of the Union, and the rays of the Western setting sun. Red and gold were also the colors carried by Coronado's Spanish expedition in search of the Seven Cities of Cibola in 1540. The bottom half of the flag has the same Liberty blue as the United States flag. Since Arizona was the largest producer of copper in the nation, a copper star was placed in the flag's center.

[NIGHT LIFE & EVENTS](#)

Scottsdale Art Walk/ Downtown Scottsdale

There are more than 100 art galleries in Scottsdale. You can enjoy Scottsdale ArtWalks every Thursday evening, year-round (except Thanksgiving) from 7 - 9 p.m. Each week, Scottsdale Gallery Association members host special exhibits - many with artist receptions - and join together for an informal come-and-go "open house" throughout the district. Casual and eclectic, it's a great time to visit the galleries and learn about featured artists. Several times per year, the Scottsdale Gallery Association holds Special Event ArtWalks with live music along the streets and special themed events. With a wide variety of outdoor sculptures set amid the lush green lawns and sparkling fountains of Civic Center Mall. Throughout "Old Town", shopkeepers sell quality Native American crafts, offering everything from hand-woven Navajo rugs to Zuni silver jewelry. There are more than 90 Restaurants and Bars for the Night Life of Old Town Scottsdale and over 320 stores to shop, and there's a trolley to take you around the Old Town area. Downtown Phoenix

Downtown Phoenix is the urban heart of the fifth largest city in the country and serves as Arizona's center of government, commerce and culture. The area is brimming with sports and cultural attractions, distinctive restaurants, fascinating museums. Within the 90-square-block area of the Downtown Phoenix Business Improvement District (formerly known as Copper Square), there is always something to do – whether it's spending the day at the ballpark, catching a show (edgy or traditional, you decide) or simply grabbing a cup of coffee and watching the world hurry by. Plus, the new light rail system, numerous major employers (the area actually boasts the highest concentration of employment in the state) and more than \$4 billion in new investment is making the area an increasingly desirable place to live, work and play. You're sure to find what you're looking for in the Downtown Phoenix area. Come see what's happening downtown today!
