Reach business intermediaries, transaction advisors and small business owners with the IBBA's advertising solutions.

The IBBA is the world's largest non-profit organization for business intermediaries and transaction advisors. As the industry's authority on the sale of small and medium size businesses, sellers and buyers come to us and our members for answers, insights and opportunities.

Our affordable advertising options are a good fit if you:

- (1) Offer products/services directly to business brokers and related transaction advisors.
- (2) Offer products/services directly to business owners/sellers.
- (3) Offer products/services to assist buyers in making a business acquisition.

The IBBA reaches a uniquely qualified and motivated audience that makes your marketing investment especially targeted.

Our Channels Give You Targeted Exposure.

IBBA.org

Purposefully designed to attract business sellers, buyers and brokers, ibba.org has become THE place to visit for those interested in selling or buying a business, or who practice within the profession.

IBBA.org draws over 60,000 pageviews each month*.

Let our exposure drive leads for you.

*Based on actual data from April 1, 2017 to May 31, 2018.

IBBAUniversity.org

If you specifically want to reach and educate business brokers, there is no better option in the market than the IBBA's online learning website, ibbauniversity.org. We attract thousands of member and non-member professionals with our inventory of online courses.

We're Social!

Many of our advertising options include cross promotion on the IBBA's social channels, where we're building and engaging with a rich community of business owners and advisors.

90,000 TOTAL REACH ON FACEBOOK ALONE*

The Source For News & Insights

With a database of over 5,000 recipients, our quarterly Main Street News e-newsletter is a must-read in the Inbox of many, and boasts strong open and click thru rates.
