

Special CBI Terms for 2020-2021

Given that the IBBA's 2020 Conference was cancelled due to the coronavirus, we are enacting special, one-time only policy provisions for those whose CBI status is impacted by the cancellation.

If you have questions about your CBI status or the information below, contact education@ibba.org.

CONFERENCE ATTENDANCE REQUIREMENT

If you needed to attend the 2020 IBBA Conference to either obtain or recertify your CBI, you have two options:

- (1) **Attend the Virtual Conference Program.** We will be delivering online seminars, workshops and mastermind session that, when completed according to standards, will qualify as attending the IBBA Conference. To pursue this option, you must select the option to authorize the IBBA to retain \$150.00USD of your Conference Pass refund on the [Refund Verification Form](#). You must still satisfy all other requirements in accordance with standard policy.
- (2) **Attend the 2021 IBBA Conference.** Only for this special circumstance, the IBBA will allow you extra time to meet the recertification conference attendance requirement and retain your CBI status without filing for an extension. If this is your intended plan, you will not need to attend this year's Virtual Conference Program.

Note that if you are pursuing initial CBI certification you will not achieve certification until all other requirements are met and you attend either a) the Virtual Conference Program or b) the 2021 IBBA Conference. Remember, you must take the CBI Exam at a local testing center at any time once you have completed all required and elective courses, by completing the [CBI Exam Application](#).

REFRESHER PROGRAM

Anyone registered for the Conference Refresher Program will receive a full refund. We will be developing an online Refresher program that you may opt to purchase once available.

REINSTATEMENT AND FAST TRACK PROGRAMS

Anyone registered for the Reinstatement or Fast Track Programs will receive a full refund. If you still want to pursue your CBI this year thru these programs the Virtual Conference Program will meet the requirement and you should select the option for the IBBA to retain \$150.00USD of your Conference Pass. We will give you the option to re-pay the related fees later. Alternatively, these programs will be made available again in conjunction with the IBBA's 2021 Conference.
