

BIZCOMPS® is a widely used, independent database with over 25,000 total transactions. The newer 14,350 transactions are accessible through the Internet. Eleven year old transactions are purged and moved to an “OLD” database for later use. The cost for public access is \$629.00 per year.

For active Business Brokers/Intermediaries, one year’s free access is available by submitting information about five or more transactions they were involved in. They can be submitted Online, by FAX or by mail.

More information is available at www.bizcomps.com or 702-454-0072
