

# WORK WITH THE EXPERTS

The Bancorp Commercial Lending uniquely combines Small Business Lending and Commercial Fleet Leasing to deliver more benefits for YOU. Whether you need a loan for your small business or leasing services for a fleet of vehicles, the experts at The Bancorp will help you find the right financing.

## SMALL BUSINESS LENDING

The Bancorp is an SBA National Preferred Lender with decades of SBA lending experience to serve you better.

- Small Business Administration (SBA) loans: 7(a), 504, SBA Express and USDA B&I
- Financing for all types of businesses and a full range of uses: commercial real estate (including construction), working capital, business acquisition, equipment, debt refinance
- Expert guidance throughout the loan process
- Payment terms that fit your budget
- SBAlliance™ — A partnership program offering SBA and commercial loans to lenders and financial institutions.

## COMMERCIAL FLEET LEASING

The Bancorp is your one-stop provider for customized leasing solutions, end-to-end service and bank-direct financing.

- Lease all vehicle makes and models at fleet pricing
- Commercial, government and equipment leasing
- Serving fleets large and small nationwide
- Leasing plan options: open-end (TRAC), closed-end, high-mileage, low-mileage
- Leases can include most upfitting costs
- Fleet & cost management, tag & title services, plus fuel, maintenance and telematics programs
- Lease Alliance™ — A partnership program offering commercial fleet leasing services to lenders and financial institutions.
